a new era of adult luxury living

a contemporary design
built for city dwellers with
retiree lifestyle in mind

luxury adult living in chilliwack

Located on First Nations land, The Skynest is a 2-building, 6-storey, wood frame market condominium. The design features large windows boasting an abundance of natural light and impressive views of the area, natural wood slat ceilings, spacious patios with state-of-the-art fire tables to bring a balance of exterior and interior spaces, an open floor plan, and one level of underground parking.

sleek interiors

The interior features a neutral palette and high-end finishing designed with adult luxury living in mind.

unique exteriors

The Skynest's exterior showcases a geometric façade, a distinctive design for the neighbourhood. The contemporary design includes large windows, clean lines and a modern colour palette. A large amenity room plus amenity deck in the central part of the facility highlight and focus the main entry area. A large rooftop deck and amenity area with an outdoor kitchen and fire tables adjoin the two buildings to provide a common space for gatherings.
