key features

Heritage style
Residential with commercial
Downtown

delightful downtown living for seniors

combining street level
commercial with elevated
residential suites creates
great access for senior
residents

This 56 unit seniors apartment complex complements its surroundings in downtown Port Coquitlam. Using the required heritage design theme for the downtown area, Montrose Senior Apartments is designed with classic brick and historically relevant colours. With commercial components on the ground floor including a restaurant, the built environment connects seniors with amenities and downtown conveniences.
